## Chapter 1 by Madison Smith

"It was cold and dark," I said. All of the horrifying memories started flooding back. "I wanted to scream but she wouldn't let me." "How did you know it was a woman?" the officer said. I looked at her to see if I could trust her. I didn't want to make another mistake. " Because I knew who she was. I had known her for my whole life." I just couldn't believe my whole life was just a big lie.

## Chapter 2 by ERIC MARTINEZ
